

homework

at St Patrick's

Dear Parents and Guardians,

In response to some queries from parents, staff have recently reviewed our homework expectations. Our approach is based on what we know will impact the progress of our children – regular practice of key aspects of learning.

As a school, we are mainly focusing on the basic skills that we know will make the most difference to children's future success – reading and number fluency.

Please see below for what your child is asked to complete at home in one week. If you have any queries or questions, your child's class teacher will be more than happy to answer them. Thank you for your support.

Year 1

10 minutes of Numbots
1 Winning With Numbers win
Daily reading – children have 2 books

Year 2

15 minutes of TTRS (e.g. 5 x 3min blocks)
1 Winning With Numbers win
Daily reading – children have 2 books

Year 3

30 minutes of TTRS (e.g. 5 x 6min blocks)
1 Winning With Numbers win
5 days reading + reading activity

Year 4

40 minutes of TTRS
1 Winning With Numbers win
5 days reading + reading activity

Year 5

45 minutes of TTRS
1 Winning With Numbers win
5 days reading + reading activity + reading comprehension

Year 6

30 minutes of TTRS
Maths fluent in 5 activity
15 mins reading per night + reading activity + reading comprehension

All year groups will also receive spelling lists or rules that they are learning.

We ask parents to sign reading journals each week.
