THANK YOU

Dear Parents and Carers
As we end the term and year, we would like to thank you for your incredible support, both this term, and throughout 2024.

We end the year at St Patrick's with much to be grateful for and to be proud of and we look forward to the coming year with hope and anticipation of the opportunities that will come with 2025.

Thank you for your generosity and kindness - as always, we have been overwhelmed by your support for our charity work; CAFOD World Gifts Appeal, Children In Need, Reindeer Run and Foodbank collections.

Thank you also for supporting the events we have had in school, our Stargazing evening, coffee mornings, swap shops, school masses and worship, performances, and Book Fair to name a few.

WELL DONE

To our amazing children - our end of term Christmas performances certainly showed what talented and confident young people we have in our school; they have worked incredibly hard this term, particularly on their reading, handwriting and number fluency but still managed to fit in time to learn songs and words for their shows. We hope that you enjoyed the shows as much as the children enjoyed performing in them.

Although we are a large school, we are very much a family and every single child contributes something special to our family; we treasure each and every one of them.

Special thanks to the children who take on positions of responsibility - they are fabulous role models and they help to make our school the wonderful place that it is.

MISSION AWARD

An enormous well done to Eryn Dawson for giving up her time to support St Mary's Special Needs group - they raised £600!

LIVE SIMPLY

This year, we started our LiveSimply journey. We have made a great start and already achieved some of our action points. One of these actions points was to connect with older people within our community so that we can learn from them and their experience. This week our classes have visited a number of care homes to sing carols and spread Christmas joy - it has been wonderful to receive such positive feedback following their visits. Well done to all involved.

WISHING YOU JOY

We send our warmest wishes to you and your family. May your holiday season be filled with love, laughter, and countless blessings. We look forward to another year of cherished moments and unforgettable experiences.

Merry Christmas and Happy New Year!
